HAE Canada invites you to….

A Patient Information Update via Webcast

To discuss access to current and upcoming HAE treatments with guest speakers:

- Dr. Rozita Borici-Mazi* (MD, FRCPC / Associate Professor, Queen's University)
- Stephanie Santucci (RN / Yang Medicine, Ottawa)

After the presentation, the speakers will answer questions from the audience.

WHEN: Saturday, November 9, 2019, from 10:00 – 15:00

This event will be a **Webcast** of the Patient Update in Ottawa, allowing HAE Canada members to view live on-line and submit questions. *Further details & a link to the Webcast will be shared with those who are registered.*

For questions, and to register by November 5 at 5:00pm ET for the Webcast, please contact **Tina McGrath** at: tmcgrath@haecanada.org

Please note: HAE Canada is planning to host Patient Information Updates in Manitoba & Saskatchewan in early 2020.

***Please note:** due to a scheduling conflict, we have changed our guest speaker.*
